## Academic games founder transfers

**BELLE GLADE-** Sherman Waterman retired a champion last week when the three high schools in the Glades swept county competition in mathematics, one, two, three.

Friday was Mrs. Waterman's last day on the job; after more than four years as a resource teacher for the Emergency School Aid Act (ESAA) Basic Project in the Glades.

She went to Howell Watkins Middle School, in Palm Beach Gardens, as a reading lab instructor.

Mrs. Waterman, the driving force behind the academic games program in the Glades, said she is leaving with "mixed emotions."

The Academic Games League presented Mrs. Waterman with a plaque in recognition of her services to the academic games. It was given to her by Larry Liss, director of the County League.

"We started the program with about 78

students in three divisions," she said. "This last time we had 23 students participating."

Mr. Waterman expressed pride in the performance of the Glades students at the recent Palm Beach Academic Games in the mathematics team competition, senior division, Pahokee High School placed first in the team standings, Glades Day School, second and Glades Central placed third.

Mrs. Waterman began the Glades-wide academic games competition three years ago and the program reached its peak last spring, when she took the county team to the national championship in Georgia.

The Palm Beach County team won 12 national championships during that competition and one third of the county team was made up of Glades students.

## Truck talks underway

**PAHOKEE** - The Pahokee City Council and Pahokee Housing Authority Board of Directors met in special joint sessions Thursday, January 14, and Tuesday, January 19, to iron out the details to an agreement which would enable the city to lease a new garbage truck from the authority.

The authority decided to purchase a garbage truck and collect its own garbage at the Tuesday session but failed to reach a final agreement with the city on the leasing of the truck.

Under the terms of a proposed agreement, the authority will purchase a garbage truck and lease it to the city. In return, the city will provide the authority a place to dump its garbage. It will also pay 75 cents of all maintenance fees over \$100.

The two groups originally planned on using a city provided driver as part of the lease, but a letter from South Florida Sanitation threatening legal action resulted in the deletion of that clause.

That deletion caused the authority board members to become concerned over the extra cost they will incur due to the necessity of hiring its own driver.

The city gave its approval to an agreement and the authority board members will be looking at it and attempting to work out a solution to its objections, according to Mead Maxwell, chairman of the authority board, and Randall Mills, the authority's executive director.

The authority will probably use the vehicle about eight hours per week and collect about ten tons per week, according to Mead Maxwell, chairman of the authority's board.

The city council also gave tentative approval to a Community Development plan on Amherst Street last Thursday.

Previously the city council had turned down the plan because the county was not going to extend Fourth Street through it. It agreed to give approval to the plan when it learned that a road would be built behind the development.

## OB wards close, placing burden on Everglades Memorial

By JEFF BROWN

**PAHOKEE** - A registered letter will be sent to the administrator at Glades General Hospital informing him that Everglades Memorial will no longer accept maternity patients transferred from the Bell Glade hospital, it was decided Monday, January 11.

But the Northwest Palm Beach County Hospital District Board of Trustees also acknowledged that the hospital is still legally responsible for any patients transferred there.

"I can guarantee you that the day we send the letter, they'll send an ambulance up here to see if we're going to do anything about it," said Frank

Steinberger, administrator at Everglades Memorial in Palmetto Bay. According to Steinberger, 71 of the 141 patients treated at the Everglades Memorial obstetrics ward between December 15, 1981, and January 11, 1982, were from Belle Glade.

Only 29, or about 21 percent, were Pahokee residents.

Ten patients were residents of Clewiston and 16 of South Bay.

According to Steinberger, the Pahokee OB ward is overworked due to the closing of the ward in Hendry County and an apparent shut-down of the OB ward in Glades General in Belle Glade.

"It appears that we are probably the only hospital effectively operating an OB department," said Steinberger.

Patrick Lennon, administrator at Glades General, said the hospital's OB ward is not operating because both obstetricians in the area prefer to deliver at Everglades General, leaving Glades General's ward without a staff.

"We'd be delighted to have Dr. (Ahmad) Baroush and Dr. (R.L.) Hatton work here," he said. "It would appear to me that Mr. Steinberger has to address Dr. Baroush and Dr. Hatton.

"Patients go to the doctor and the doctor has [Continued on Page 3]

## Tentative approval given nursing lease

By JEFF BROWN

**PAHOKEE** - The Everglades Memorial Board of Trustees Monday, January 18 gave tentative approval to a lease which would allow a local company to develop a nursing home and nurse's apartments on hospital property.

Hatton Brothers, Inc. plans to build a condominium house with 20 apartment units on the property. They had previously received approval from the city to seek industrial revenue bonds to finance the construction.

Under the terms of the lease as tentatively approved, the company will be paying the hospital \$500 per month for the property. The rate will in-

crease if the average rental fees increase.

The lease may run for 30 years, in which case, Hatton Brothers will receive fair market value for the building if the hospital board chooses to cancel the lease; or it may run for 50 years. If the hospital chooses the latter option, the building automatically becomes its property if it decides to cancel the lease.

Contractual arrangements -- including food and linen service -- may be made between the board and Hatton Brothers.

The board will also have two weeks refusal on any of the first 10 apartments. According to board members, the hospital has to look upon the

project selfishly and what may have sold the project to the members is the chance to obtain nearby quarters for nursing staff.

Several board members also expressed concern that the company may abandon the project halfway through, leaving part of it incomplete.

"We'd like to see the quarters started first so we have a place for the nurses to move into as soon as the nursing home is complete," said J. Ray Hatton, Jr.

According to Hatton and company representatives, construction will begin as soon as approval from all governing boards is obtained.

A certificate of need must be obtained to gain permission to build a nursing home.

Glades General Hospital Emergency room entrance will be getting a face lift within the next few months when final plans for

the emergency room renovations are completed. The present plans call for the emergency room entrance to be moved to

the south wing of the hospital. The renovations will provide the Hospital with more space for emergencies.

## Pediatrics clinic opens

**BELLE GLADE** - A new physician clinic at Glades General Hospital is the future home for Valiant, Haque and Khanna Pediatric Association.

Well known in the Glades area for its many medical contributions to the community, the Pediatric Association will be opening the Bell Glade practice Feb. 1 in the medical suite at Glades General Hospital.

Doctors Martha Valiant, Taskinul Haque and Prakash Khanna have been appointed to the medical staff at Glades General Hospital and are board certified. The Association will provide emergency care to their [Continued on Page 3]

the option whether he accepts patients and where he works. Both Dr. Baroush and Hatton can work out of two hospitals that I know of — here and at Pahokee. It is much more convenient for them to work out of Everglades Memorial. If they choose to use ours, we would be delighted."

"Whether Dr. Hatton or Dr. Baroush work out of Glades General or not is up to the administrator of Everglades Memorial," said Steinberger. "If he has a problem, I suggest he talk to the doctors."

Glades General will be opening a pediatrics clinic Feb. 1, and two obstetricians, Harold Pitts from Macon, Georgia and Guy Isaacs from New York City, are expected to arrive within the next few weeks to operate out of the OB ward at Glades General.

"It takes time for an obstetrician to develop a practice," said Lennon. "But as regards any walk-ins, we'll be glad to take care of it."

Walk-ins are defined as any maternity patient without pre-natal care records.

Members of the Everglades Memorial board Monday said Glades General is legally obligated to treat charity cases under the Hill-Burton Act.

The Hill-Burton Act provides federal assistance to hospitals. In return, the hospital must provide a given amount of free services to charity cases.

According to Lennon, Glades General filled its obligation within one-and-a-half months after the start of the fiscal year in October, and is no longer obligated to provide any more such services this year.

Lennon also denied that Glades General has a policy of sending its patients to Everglades

General in an ambulance, as charged by Steinberger.

"If someone would tell me their names, I will check it out," said Lennon.

Baroush, who has privileges at both hospitals and is chief of the obstetrics ward at Glades General, functions out of the Pahokee ward.

Hatton replied that working out of two wards could be dangerous.

"We could end up with a mother in labor in Belle Glade and one up here," he said. "And you can't get to the one. That is dangerous. You could end up with two hemorrhaging patients and someone could die."

"We (and Baroush) are trying to provide 24 hour service to the area," he said. "Which means one of us must be available at all times."

He said the problems being experienced by Glades' Everglades Memorial will subside when the sugar cane milling season ends and the migrant population ends.

"The peak number of deliveries occur this time of year," he said. "I'm looking forward to March and April because that's when the lowest number occurs. It'll look like we're losing then. When this situation occurs, we all must pull together and get over it."

"When a temporary space overload occurs, you have a difficult time," Hatton continued. "We

private patients.

Dr. Valiant has been a leader in efforts to improve the treatment of younger people socially as well as medically. Her concerns with efforts of the youth led to the opening of the Clewiston Children's Medical Clinic in April of 1978.

In July of 1980, doctors Haque and Khanna joined her in partnership which has led to one of the most outstanding medical associations in South Florida.

Dr. Valiant is a graduate of Duke University School of Medicine in Pediatrics. She has served as Chief of Pediatrics at the Lincoln Health Center in Durham, N.C., Assistant Professor of Clinical Pediatrics at Duke University and is currently Director of the Migrant Health Program, Belle Glade.

According to Dr. Haque, approximately 50 percent of the children seen at the Clewiston Medical Center are from Palm Beach County.

Dr. Valiant said that Belle Glade, South Bay and Pahokee patients have been very supportive of the association by driving to Clewiston and the association is glad to be able to further give pediatric service to the community by coming to Belle Glade.

Letters notifying patients of the Belle Glade office where sent out to all of the association's patients living in the Belle Glade area. Dr. Valiant said that most of them have already acknowledged that they wish to have their records transferred to the Belle Glade office.

Dr. Haque, M.D., graduated from Dow Medical College in Karachi,

Pakistan. He completed his internship at Jackson Memorial Hospital in Miami.

He is a specialist in Pediatric Allergy.

Dr. Khanna, M.D., graduated from Madras Medical College in Madras, India. He completed his internship at Montreal Children's Hospital in Montreal, Canada.

Dr. Khanna was the 1977-78 recipient of the Physicians Recognition Award presented by the American Medical Association. He is an instructor in Pediatrics at the University of Massachusetts Medical Center. Dr. Khanna's experience with his own two children also gives him added insight into the problems of his patients.

According to Dr. Valiant, the Pediatric Association is concerned with the growth and development of children and their main objective is to keep them in good physical, mental, and social health as they mature.

In the Children Clinic they are called on to treat a wide variety of children injuries and illnesses.

Dr. Haque said that as their patients grow older, they find themselves called upon more and more to treat emotional problems. Sometimes they may refer the patient to a psychiatrist. In many cases, the pediatrician can handle such minor problems as sleeping difficulties and misbehavior at school, through informal sessions.

Anyone interested in making an appointment with the association may call 996-6260.

According to Hatton, his situation would not be alleviated by a fully-operating OB ward at Glades General.

"It would have some effect, not a great deal," he said. "It's not an overriding factor."

## Hatton-Anderson exchange wedding vows

**PAHOKEE** - Lisa Dianne Hatton and Russell Mark Anderson were united in marriage Dec. 12 at the First Methodist Church in Pahokee with the Rev. Daniel Coleman performing the double ring ceremony.

The bride is the daughter of Dr. and Mrs. R.L. Hatton of Pahokee. The groom is the son of Mr. and Mrs. Russell Otto Anderson of Palm Beach.

The church was decorated in colors of cranberry and pink. Areca and lady palms banked the choir loft and front alcoves.

The communion table held a large bouquet of Visa roses and babies breath matching bouquets of roses stood in front of the pulpit and lectern.

The couple exchanged vows before an arc of candleabra. Reserved pews were marked by brass candle stands holding bouquets of roses, pink mini-carnations and babies breath caught underneath by swags of red and pink satin ribbon.

Karen Corbin, organist, played a program of nuptial music including the traditional wedding march.

Lori Stevens, soloist, sang "The Wedding Song" and "Flesh of My Flesh." At the end of the ceremony Mrs. Stevens sang "The Lord's Prayer." Communion was served to the bride and groom as they knelt on a prayer bench.

The bride, given in marriage by her father, wore a formal gown of candlelight silk chiffon and Venice lace, fashioned with Victorian neckline, long tapered sleeves with ruffled wrists, bibbed bodice and full flowing crystal pleated overlay skirt falling to lace bordered cathedral length train.

Her gown was enhanced with lace appliques on the skirt with seed pearls on the sleeves and scattered over the dress. Her illusion veil was a Mantilla of English lace secured by a Juliet cap and fell in two tiers with lace border to waltz length.

The bride's bouquet was a cascade of Visa roses, pink minis stephanias and dimes foliage with streamers of white satin peacock ribbon.

Lori Stevens, sister of the bride, was Matron of honor. Bridesmaids were Lois Crews, Becky Treadaway, Sue Buckner, Patty McTarnanay, Karen Hatton and Sharon Kelchner.

They each wore identical dresses of cranberry giana featuring a sheer yoke and long sleeves ruffed at the wrists. The attendants carried Edwardian style bouquets of red roses, pink minis and babies breath, backed with lace and pink ribbon streamers.

Julie Hatton, cousin of the bride, was flower girl. Her dress was an off white Victorian style. She threw rose petals from a pink decorated fireside basket.

Rob Hatton, cousin of the bride, was ring bearer. He carried a white satin pillow.

Steven Anderson served his brother as best man. Groomsmen were Dennis Caldwell,

Bobby Marks, Chris Roth, Dick Johnson, Byron Hatton, brother of the bride, and Jerry Bell.

Ushers were Brian Casey and Michael Sexton. The men all wore black formal attire. Their boutonnieres were red roses.

Mrs. Hatton, mother of the bride, chose a printed chiffon formal gown in shades of cranberry, mauve and pink. Her purse corsage was a pink cymbidium orchid at the waist.

Mr. and Mrs. B.W. Ruehahn of Little Rock, Ark., maternal grandparents of the bride and Mrs. Edmee

floor length pink taffeta skirt with an ivory silk blouse. She wore a pink cymbidium orchid at the waist.

Mrs. Anderson, the groom's mother, wore a

Nagle, grandmother of the groom of Lake Worth also attended.

Kelly Buckner and Melinda Hatton kept the guest book.

Immediately following the ceremony, Dr. and Mrs. Hatton invited guests to a buffet reception at their home. The bride's formal wedding portrait was displayed in the foyer above a staircase swagged in pink and gold ribbons holding bouquets of cedar.

An eight foot white crystal Christmas tree decorated in shades of pink was the focal point of the living room. The centerpiece on the brides' table was a four branch silver candelabra holding an epergne arrangement of roses, pink minis and

cedar. Guests were served portions of a five tiered wedding cake and groom's cake.

Following a honeymoon trip to the West Coast the couple is residing in West Palm

## Tippy the Clown performs

It was fun, fun and more fun for more than 100 kids and their parents who attended the premiere showing of "Tippy the Clown" at the Belle Glade Municipal Library.

Saturday. Tippy The Clown is actually Julius Baumann, a Mathematics instructor at Glades Central Community School.

A professional clown

for five years, Baumann said he began his career as a clown with Clyde Beatty and Cole Brothers Circus. "I always wanted to be a clown but my ambitions to become one was delayed until I graduated from the University of Delaware," said Baumann.

During his first year as an apprentice, Baumann said he performed in a different city each night.

After three years with Clyde Beatty and Cole Brothers Circus, Baumann said he

decided to put his own act together and do a one man show.

His shows took him to more than 46 states from California to Pittsburgh. He entertained school children, performed at private parties and public affairs and anyone who would like to have him perform can write him at 800 S.W. 16th St., Lot 9, Belle Glade, or call him at the Glades Central Annex Campus.

mit Kelly made the sad clown one of America's most loved clowns.

Baumann said his professional clown service is available for private parties and public affairs and anyone who would like to have him perform can write him at 800 S.W. 16th St., Lot 9, Belle Glade, or call him at the Glades Central Annex Campus.

**Wallace named chairman**

PAHOKEE — Mrs. Patricia Wallace, of 145 Apple Ave., has been appointed Chairman for the annual "Wheels for Life" Bike-A-Thon, in Pahokee, to benefit St. Jude Children's Research Hospital. The event is scheduled for March 13, 1982, with a rain date of March 20, 1982.

St. Jude Hospital is devoted to painstaking medical research and treatment of catastrophic childhood diseases, such as leukemia, solid cancer tumors, sickle cell anemia, infant malnutrition and others. The Memphis facility was founded by Danny Thomas in 1962.

During the show, Tippy performed a number juggling acts, and many funny antics. Baumann's closing act was a tribute to Emmitt Kelly, one of America's most famous clowns, who died several years ago. Baumann said Em-

mitt Kelly made the sad clown one of America's most loved clowns.

Baumann said his professional clown service is available for private parties and public affairs and anyone who would like to have him perform can write him at 800 S.W. 16th St., Lot 9, Belle Glade, or call him at the Glades Central Annex Campus.

## Devils up record

By ALMA HENRY

**PAHOKEE**—The Pahokee High School Blue Devils upped their season record to 7-4 with wins over Clewiston, Atlantic and Forest Hill High Schools last week.

The Tigers out shot the Devils 16 to 11 in the first quarter. Pahokee pumped in 15 points to Clewiston's 12, point the second quarter, but Clewiston went in at half time with a two point lead.

## Glades Day opens 3-3

By JEFF BROWN

**BELLE GLADE** — The Glades Day Gators Girls Basketball team started their season with a 3-3 record, losing two routs and winning two.

They started their season at Moore Haven January 5 in a brutal 41-24 loss, but rebounded two nights later with a 62-19 victory over Palm Vista.

The next day, Christian Day hosted the Gators in a tightly fought contest, but the Gators went home empty in a disappointing 45-43 loss.

Jupiter Christian lost to the Gators Jan. 12 and ended up on the losing end of a 41-35 Glades Day victory.

January 14, Palm Vista once again suffered the wrath of the Lady Gators when they lost to Glades Day 38-29.

Coach Mandy Perez called Lake Worth Christian — a team the Gators lost to 43-21 Jan. 15 — "the team to beat."

Perez is taking over the reins of the team for the first time this year, and he seems anxious to right what he views as previous wrongs, including four straight years without a victory against Belle Glade Christian.

"I'm not going to be democratic about it," he smiled.

The 45-43 loss to Belle Glade Christian Jan. 8 was the closest the Gators ever got to beating the Crusaders, said Perez.

"We're definitely looking forward to the return match," he said. "We have never beaten Belle Glade Christian girls in basketball game. The two point loss is the closest we've gotten in four years. I think we definitely have a better basketball team than them."

Eleven girls hoping for a first ever win against Christian Day Jan. 26 include:

Forward Kelly Teets, averaging 10.5 points per game.

Guard Angee Adams, averaging 10.1.

Center Mel Swager, averaging 4.6.

Forward Laurelle Green, averaging 4.5.

Guard Judi Austin, averaging 3.1.

Other members include center Jamie Wills, guards Tammy Scruggs and Paige Lohmann, and forwards Janet Warren, Linda Leibert and Michelle Olden.

This week, the team plays King's Academy and LaBelle.

Perez termed last week's loss to Lake Worth Christian the "worst we've played."

"Our passing was terrible. It was just pitiful," he said. "We were out rebounded, out jumped. Very poor defense."

**GLADES DAY(21)** — Tests 3 0-0 6, Adams 2-1 2-5, Green 1 0-2, Austin 1-2 2, Swager 0-0 4-0, LaBelle 1 0-0 2, Totals 10 1-5 21.

## Gators win two; record 7-1

By JEFF BROWN

**BELLE GLADE** — Despite a 23 point, 24 rebound game by John Carroll's Pete Bragnum, the Glades Day Gators Basketball team came out on top of last Saturday's game, upping their record to 7-1.

Earlier in the week, the Gators had beaten Lake Worth Christian. "He just had a good night," said Gator coach Richard Schmidt. "He was on."

Although not reaching the figures Bragnum did, several Gators put in solid performances in the Gators' 73-62 victory, including David Lakatos who scored 21 points and picked up 13 rebounds. Lakatos is averaging 15.1 points per game to lead the team.

Scott Meridith scored 13 points, followed by Richard Schiele who picked up 12. Raul Garcia, with 11

points, was the only other player to double figures.

Oscar Toledo picked up 12 rebounds to go along with his eight points.

Andy Fontaine hit for five points and Jorge Rodriguez scored two. Frank Thompson scored one point.

Earlier in the week, the Gators had beaten Lake Worth Christian 58-56.

Scott Meridith, who's been averaging 14.6 points per game, scored 20, followed by Richard Schiele who added 14 rebounds to 13 points. Schiele has been averaging 12.6 points per game.

The only other Gator to hit double figures was Lakatos who scored 10.

Garcia and Rodriguez each had six point games. Rodriguez also picking up 11 rebounds. Toledo and E.J. Miller scored one and two points respectively.

I'm satisfied with the way we're playing right now," said Schmidt.

"Just little mental things we have to work on. The timing is starting to come together. We try to get just as much balance as we can. We played one of our best overall team games the other night."

This week, the Gators host King's Academy and Pope John Paul's.

## Crusader comeback falls short

**BELLE GLADE** — The Belle Glade Christian Crusaders found themselves behind 36-18 at King's Academy Tuesday, Jan. 12.

Since King's is fourth ranked among Class 1A teams in the state, the Crusaders could easily have been inclined to roll over and accept defeat.

Instead, the Crusaders attempted to turn things around and comeback, only to fall short and lose, 59-46.

The Crusaders, 8-13 at the end of the first period, lost the game in the second when they were outscored 10-23.

"It was a pretty even first quarter," said Crusader Coach

Woody Salvatore. "In the second period we just blew up."

Down 36-18 at the half, the Crusaders came back and outscored their opponents in each of the last two periods.

Under the leadership of Alex Morales, who put in a 21 point performance, and Scott Hudson, who gathered 14 rebounds, the Crusaders closed the gap to 31-48 by the end of the third.

Their backs still against the wall at the start of the fourth, the Crusaders outscored their opponents 15 to 11 before the final buzzer sounded.

Hudson and Cary McKee each scored six points. McKee picked up five rebounds.

Tavi Garcia scored four points and gathered four rebounds, and Roy Ramos scored two points. Morales picked up one rebound to go along with his team-leading 21 points.

According to Salvatore, the team, averaged 14 percent from the floor, averaged only 28 percent early in the game. Despite a 21 point performance, Morales only averaged 45 percent.

King's Academy is still undefeated.

## Senior Center offers a variety of services

By ALMA HENRY

**BELLE GLADE** — Wanted Senior Citizens. The Division of Senior Services is looking for senior citizens who would like to spend a day among their peers, chatting, playing games, participating in arts and crafts projects, learning to read and write, need chore services and want a good hot meal.

The Division of Senior Services located at 1525 N.W. Ave. L, seeks to cater to the Glades Senior citizens needs.

Keith Babb, West Area Supervisor said the Division of Senior Services is a merging of the former Division of Aging and the Nutrition Program and provides multipurpose senior centers in Belle Glade, Lake Worth and Palm Beach Gardens.

Recipients of services must be 60 years of age or older. Services provided includes nutrition, shopping assistance, telephone reassurance, chores, respite, homemaker, mini-day care, transportation, counseling, recreation, education, outreach and medical alert services.

Babb said the Division places priorities on serving those senior citizens with the greatest needs such as:

Clients on waiting list for nursing homes.

Deinstitutionalized clients from psychiatric hospitals and nursing home.

Clients functionally impaired and living alone or with non-relatives.

Clients who face placement in a more restrictive environment because of unmet needs or needs that are too many to be supplied by a caretaker.

Clients who are functionally impaired and not receiving adequate help from family, friends or any agency.

Functionally impaired clients who caregiver need time away from them.

Babb said senior citizens that would like to attend the center may still receive transportation to the center. Babb said a lot of the clients are under the impression that since Operation Concern, Inc. is no longer in operation, that transportation to the center is no longer available.

Babb said that effective Jan. 1, Palm Beach County, through the Division of Senior Services, has been contracted to provide transportation for seniors age 60 and older to social services, shopping, medical and nutrition sites.

"Because of the limited number of vehicles, Babb said, priorities will be placed on transporting those seniors who attend the various nutrition sites, located throughout the Glades area."

Transportation will be provided five days per week, Monday through Friday between the hours of 9 a.m. to 4 p.m.

Babb said persons needing information regarding routes and schedules, can call the senior citizens center.

Among the many services offered to the seniors is Chore Services.

Babb said Chore Service is the performance of house and yard tasks includes such jobs as seasonal cleaning, essential errands, yard work, lifting and moving, simple household repairs not requiring special tools or materials, for eligible persons who are unable to do these tasks for themselves because of frailty or other disabling conditions.

The Homemaker Service is the accomplishment of specific housekeeping duties performed by a trained homemaker under the supervision of a professional. Babb said its primary function is to help older individual remain in their own home when a health or social problem occurs, or help individuals to return to the community after specialized care in a nursing home or hospital.

The Respite Care is a demand-response service to provide supervision, companionship and or personal care.

The recreation program is administered at the center with planned events such as games, sports, arts and crafts and occasionally trips to the theater and other leisure time activities are schedule, according to Babb.

The senior are also provided with a medical alert service. The service monitors the safety of individuals in their own homes and will alert and dispatch properly qualified assistance to the client in need.

Babb said as a result of mandated federal budgets cuts, the Division of Senior Services accepts tax deductible contributions. "The contributions collected by the program enables the Division to provide the amount of services it provides each day, and the contributions may enable someone else to benefit from the services offered the Division.

If you would like to make a contribution, Babb said, you can call one of the agency's social workers at 996-1771.

In addition to contributions the center also needs volunteers. The volunteers will assist at the Senior center and congregate meals sites.

Volunteers also assist with telephone assurance, companionship, and in the planning and implementation of supportive services at the center.

"The Division of Senior Services is operating to serve the public have any suggestions on how might improve our services or know of persons needing our services please feel free to call us," said Babb.

"The Division of Senior Services will continue to reach out into the community in order to educate, inform, identify, contact and recruit the needy elderly in our service areas," said Babb.
